BE AWARE

A message from Will Gravelly
Board President

What an impact BGCBR is having in Martinsville/Henry County! The first youth-of-the-year competed at the state level against peers at other Clubs throughout the region. Comcast made a major investment in our Teen Center with a new computer lab and training program that will prepare youth for the future. New partners came forward in support of "our kids" and new programs continue to be developed.

The organization's board of directors is one of the hardest working in the community, and the organization has learned to stretch every dollar to achieve maximum impact for our kids.

Your investment makes a difference -- not only now, but in the future as Club kids grow, succeed and learn to give back to a community who believes in them!

BE ENGAGED

BE GREAT

"Worthy leadership qualities are not easy to instill in children. Similar to a garden, it takes work, requires time, and is dependent upon healthy nutrients. The required soil (BGCBR) mixes with nutrients provided by our staff: patience, understanding, listening, firm consistency, and a caring heart. With time, our young people grow to become responsible, caring, and productive citizens...a beautiful garden!" *Rhonda Alderman, Lead Teacher*

BE A VOLUNTEER

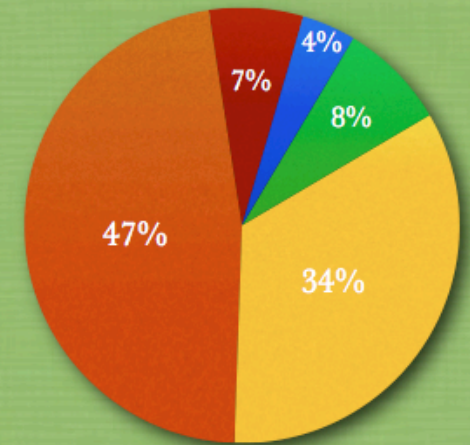

Boys & Girls Clubs are well positioned to be strong advocates for youth and positively impact academic success, good character, citizenship, and healthy lifestyles. Working together, donors, volunteers, and staff can give young people the tools and support they need to succeed!
